DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3, 5-10, 12, 14-25, 27 and 28 are allowed.
2. The following is an examiner's statement of reasons for allowance: claim 1 is believed to be allowable over the prior art as it has been amended to incorporate allowable subject matter previously recited by the Examiner. The limitation of "the semiconductor laser device comprises two reflections means with two reflecting surfaces, the two reflecting surfaces each being tilted at oppositely equal angles (α) to the normal on the exit surface" were not found to be known, or an obvious combination of the prior art (Yaeli'894 only discloses one reflection mean or concave lens tilted in one angle on the exit surface). Claims 3, 5-10, 12, 14-25, 27 and 28 are also allowable as they are directly or indirectly dependent on claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Yuanda Zhang whose telephone number is 571-270-1439. The examiner can normally be reached on Monday-Thursday, Alternating Fri 8:30am-6:00p EST.
